

Why choose us for your virtual events?

As team events in the digital world become the new 'normal', here's six great reasons why our solutions really hit the mark and are leading the way in keeping teams connected across the globe...

1. Keeping You Engaged And Connected

We've combined our app with leading video conference software to provide a truly immersive solution that has been specifically developed to support remote working teams to help them stay engaged and connected.

2. Making It Personal

As well as a range of 'off-the-shelf' solutions, we have the ability to create unique customised solutions that are designed to achieve your objectives and goals and reflect the branding, tone and culture of your company.

3. Unique Multi-Media Challenges

In addition to a range of question formats, our award winning app provides teams with the ability to work together to complete unique photo and video challenges - great for presenting back to participants at the end of the event to keep the team motivated.

Why choose us for your virtual events?

Thanks so much for yesterday it was really good fun, a great way to interact with the whole team. We were impressed by how well organised it was, and particularly liked the chat rooms and then coming back into the main room for bonus points. We liked the fact the host can pop in and out of the rooms! It was great, we loved it and had so much fun!

4. Live Gameplay Features

Our custom technology enables peoples' devices to be synced in real-time, meaning they can work together as a team to solve challenges. And our live scoring enables you to have a live leaderboard running as well to add that bit of friendly competition.

5. Cross Platform Functionality

Our App can be easily downloaded from the iOS and Android App Stores making it accessible to all. And then it's as simple as scanning your unique QR code/App link to load up the game and then you're ready to play.

6. We're Part Of A Global Team

Our network of Global Partners are leading event professionals who draw on the experience, knowledge and expertise of each other to help create award-winning events for a digital world that strengthen teams and keep people engaged and connected. In the last two months our Global Partners have successfully delivered over 160 live 'virtual events' to help keep teams connected.
